

TINTINHULL PARISH COUNCIL

EMAIL GROUP

The Council has had just two requests to join the Email Group. If you would like to receive Council agendas and other bits and pieces of news, please contact the Clerk with your email address by the end of November please. (Although you can ask to join at a later date) The Council will send you a Consent Form which you will have to fill in and sign. (It has to be a signed) Once filled in and signed you can either scan it and send back by email or send back by post. In the meantime, you can always view agendas and minutes on the web site. The Council's General Privacy Policy can also be viewed on the web site.

YOUTH CLUB – SURPLUS EQUIPMENT

The Youth Club has a Pool Table and two Table Football Games surplus to their requirements. If you are interested in buying, the Council requests a donation towards the Youth Club funds and you collect from the Pavilion. If you would like to view the surplus equipment, please ring Councillor Dave Trott on 07460933309 who will arrange a date and time.

Just a reminder, the Youth Club is open from 6pm-8pm every Tuesday except a fortnight break at Christmas for the ages of 8-15-year olds. There is a different programme of events each week. If you have a youth that is interested in joining, please contact Heather Burton on 07445440897 or email heather@cyp.me.uk

SOMERSET COUNTY COUNCIL BUDGET CUTS

Somerset County Council are facing financial challenges which has come about by greatly reduced Government funding and a growing demand for statutory services they provide particularly in Adult and Children's services. The situation will mean severe cutbacks or withdrawing of non-statutory services. This could have a detrimental effect on Town and Parish Councils with safety issues and possibly for our budgets in the future.

Cutbacks include:

- To remove the provision of roadside salt supplies for self-help use by the public for the winter of 18/19.
- Termination of in-year hedge cutting, ditching and ploughing spend and only raise reactive orders for works for these workstreams and only if they are safety related.
- Implement a 1 swathe width cut across A&B network on the 2nd programme visit.
- Reduction of the in-year reactive jetting budget. Through this proposal reactive maintenance of roadside drains and gullies and associated pipework will be reduced.
- Reduce the precautionary salting network for the winter of 18/19 from 23 routes to 16 routes.
- To reduce the traffic management and road safety revenue budget.
- To halt a number of activities and schemes in 2018/19 programme of Flood and Water Management.

SOMERSET WASTE PARTNERSHIP - AEROSOL RECYCLING

Spent aerosols can be easily recycled at the kerbside. Simply place empty household aerosols in the black box. For safety, do not pierce or squash. As aerosols are used all around the house, having a small recycling bin in the bathroom might help people remember to recycle things like deodorants and hair spray, as well as their cleaning products. Around 60% of aerosols are made from tinned steel and 40% are made from aluminium; both metals that are easily recyclable and deliver huge carbon savings if they are recycled. During the recycling process, the plastics and rubber components are removed. It does cut down on contamination if you can remove caps and nozzles before recycling. For a video on recycling metals, visit Recycle Now - <https://www.recyclenow.com/what-to-do-with/aerosols-0>
