CHRISTMAS TREE & LIGHTS

Tintinhull village had Christmas tree lights this year thanks to a request from an enthusiastic parishioner who also helped to organize the occasion. Thanks, must also be given to MOTIV 8 (a regular hall user drama group) who donated the lights. The Parish Council paid for an electricity connection to the Village Hall and a Christmas tree. Hopefully this will be a yearly event.

YOUTH CLUB

During the year the Youth Club members have been learning to play the ukulele. They played a selection of tunes to the residents at Wisteria House before Christmas which was enjoyed by all. This was followed by mince pies, shortbread and chocolate biscuits.

OVERGROWN VEGETATION

Somerset Highways undertakes highway management throughout the County. One of their duties is to maintain highways as a safe environment for all road users. When hedges tree or shrub overhangs the highway, pedestrians can injure themselves from the impact with the vegetation and alternatively, pedestrians can be forced towards the carriageway, which can result in an increased risk of an accident. Responsibility for cutting back vegetation lies with the landowners or occupiers of their boundary fronting the highway. The Parish Council's responsibility is to report such matters to Somerset Highways.

Please can you check if any of your boundaries with the highway has offending growth and, if it has, make arrangements to remove any overgrown vegetation land owners must also remove any debris from the road surface to prevent nuisance and to stop it blocking surface water drainage systems.
